Dear Mr. Czyl:

Re: Approval of Replacement Surety, Irrevocable Letter of Credit, No. S238978, Jumbo-Jensen Quarry, M/041/008, Sevier County, Utah

This letter is to notify you that on May 24, 1990, the Board of Oil, Gas & Mining formally approved of the replacement reclamation surety (ILOC No. S238978) for United States Gypsum (USG) Corporation's Jumbo-Jensen Gypsum Quarry. We have enclosed a copy of the approval package for your file records.

Also enclosed is a copy of the Division's most recently revised Irrevocable Letter of Credit (ILOC) form. This form is forwarded to you for your future reference or change in surety/banking institution. USG Corporation's recent replacement ILOC will suffice until we receive notification of cancellation or until the reclamation surety estimate is reevaluated in 1993 (current bond term). Thank you for your patience and cooperation in resolving this permitting action.

Sincerely,

D. Wayne Hedberg
Permit Supervisor/Hydrologist
